

## Municipalities Not Supporting Public Library Service August 5, 2019

---

This table lists Pennsylvania municipalities that do not support a state-aided public library (as outlined in the Pennsylvania Public Library Code). Residents of these municipalities are not eligible to participate in the Statewide Library Card Program. To obtain library services, residents of these municipalities may register for a free [POWER Library Ecard](#) to use state-funded [POWER Library e-resources](#). Or, they may investigate purchasing a library card from a nearby public or academic library. Source: Pennsylvania Public Library Data Collection, 2019.
