

***Release your inner mad-scientist and
celebrate National Chemistry Week 2016
at the State Library of Pennsylvania!***

**The State Library's Makerspace will be open on
Thursday October 20th from 11:30 - 1:30 pm.**

Come and play with chemicals over your lunch hour!

A beaker of this and a few drops of that... Boom!

- Weird Science!

Conduct some wild and wacky experiments, all under the
supervision of qualified librarians, of course.

Space is limited: please rsvp to
